FAMILY TIME AT HILTON GARDEN INN LEIDEN

When you're travelling with children, your trip should be fun and stress-free. We at the Hilton Garden Inn Leiden want your kids to enjoy themselves – so you and your family can relax and have a good time. There's plenty to keep the little ones busy. How about a bike ride, jumping on the trampoline, or a game of badminton in our outdoor playground? We also offer an indoor kid's corner for playing and drawing.

And you can find two exciting museums close to the hotel. Take your children on a fascinating journey through the human body at the interactive Corpus Museum or discover the origins of life on Earth at Naturalis, the biodiversity centre.

Enjoy your stay and have a fun time with your family!
