

INFORMATION & SAFETY

Fire Safety & Evacuation

It is important that you read and understand the fire safety instructions on the back of your room door and familiarise yourself with the emergency exits.

Fire Alarm Tests

The hotel conducts a weekly fire alarm test every Monday at 10.30am; during this time there is no need to evacuate the building. Should the alarms sound for more than 10 seconds, please follow the normal fire evacuation procedures shown on the back of your room door.

Room Security

For increased security while you are in your room, engage both the deadbolt and the swing lock located above the door handle. A door viewer is provided for your safety. If there is any doubt about a person's identity at your door, please call the Front Desk.

Registration Key Cards

Please carry your key card with you during your stay. If you lose or misplace your key card, notify the Front Desk as soon as possible. You will be asked to show your card when charging services to your room account.

Emergencies

Please dial '777' on your in-room telephone, which will connect you directly to the Front Desk for immediate assistance.

Non-Stop Check-Out®

Your room invoice will be slipped under your door on the morning of departure. If you are happy with your charges, please sign the invoice and place it, along with your room key, in the express check-out box located on the Front Desk when departing.

Other Guest Services & Information

Contact the Front Desk on your in-room telephone by dialling '0' for any information you need during your stay.

If you have parked in our car park, please register your car details and pay at the Front Desk before departing.
