

INFORMATION & SAFETY

Fire Safety & Evacuation

On discovering a fire, raise the alarm by breaking glass at the nearest fire alarm point or telephone Front Desk using the emergency number. Please leave the building via the nearest exit, close all doors behind you and report to the assembly point under the crane in the car park.

Fire Alarm Tests

The fire alarm system is normally tested every Monday at 11.00am. The bells will sound for 10 seconds during which time there is no need to evacuate the building. Should the above be sounded for more than 10 seconds, please follow the normal fire evacuation procedures.

Room Security

Guestroom doors are fitted with an electronic locking system that locks automatically when the door is closed. For increased security while you are in the room, engage both the deadbolt and the wing lock located above the door hardware. Your room key will operate your door lock until 12.00pm on your departure date. If you have any questions during your stay, please dial '0'.

Registration Key Cards

For your personal security, please carry your Registration Key Card. You will be asked to show your card when charging services to your room account.

Emergencies

Please dial '0' which will connect you directly to the Front Desk for immediate assistance.
